

# Environmental Policy

*At Ironsides Lubricants Ltd, we are dedicated to safeguarding the environment, preventing pollution, and complying with our legal obligations.*

*Our goal is to surpass the requirements of BS EN ISO 14001:2015 through our Integrated Business Management System.*

*We operate from a single site located at Shield Street, Stockport, Cheshire SK3 0DS, where we blend and supply lubricating greases and oils.*

*Our commitment to the environment extends to our employees, customers, shareholders, suppliers, contractors, local council, and neighbours, as outlined in our EMS.*

*To achieve our objectives, we will implement the following measures:*

- *Foster a culture of environmental responsibility by communicating our Environmental Policy to all employees and interested parties.*
- *Consider the needs and expectations of our stakeholders, and take appropriate action to address them.*
- *Set objectives and targets to continually improve our EMS.*
- *Establish a sustainability profile for our products and business, with a focus on reducing energy and resource consumption, waste generation, emissions to air, and pollution. We will strive to reduce, reuse, and recycle whenever possible, and continually monitor our products and processes.*
- *Procure goods and services in a sustainable manner and encourage our suppliers and contractors to improve their own environmental performance.*
- *Ensure adequate resources, including training and support, to maintain the EMS.*

*Our Board is fully committed to implementing this policy, and we will review it at least quarterly as part of our Management Review. This policy will be available to all interested parties.*
